

Showcase Open Evening
Wednesday 04th November 2026
6pm to 8.30pm

The Showcase event is an excellent opportunity to see what Chelmsford College is like. Visit the various departments, check out the campus and talk to the tutors who could be working with you next year. With our leisure centre recently refurbished, you will also have the chance to tour the facilities as well talk to staff about careers, SEND support and student support (including travel & finance).
Your booked time represents the time you can arrive at the building. You can stay as long as you like and visit as many departments as you're interested in.
